

As an integral part of the Hitachi group, Hitachi Systems Micro Clinic is committed to the greater good. Improving the quality of life of the identified communities located in and around the units of our operations is a part of our Corporate Social Responsibility. We always strive to deliver the benefits of technological advances we make, to the world around. Hitachi Systems Micro Clinic prides itself for being in synchronization with Hitachi corporate principles of "contributing to the growth of our customers and the global community, by supplying dependable technologies and advanced solutions, guided by the Hitachi Spirit.

CSR ACTIVITIES

1- Koshika Foundation

We support Koshika Foundation. Koshika Foundation offers following selfless service to the underprivileged & underserved people in the society :

- Free children's heart surgeries
- Free eye surgeries
- Free eye check-up camps in rural areas
- Free "doorstep relief" through Netra Kendras (permanent establishments equipped & staffed to offer comprehensive eye care services)

2- Christmas Celebrations at "Shanti Daan"

We celebrated Christmas on 22nd December 2014 with the inhabitants of Mother Teresa's Missionaries of Charity "SHANTI DAAN" – a home for unwanted, ailing, physically challenged people. The venue was stunningly adorned with stars, balloons etc. to create the Christmas ambience. We organized magic show, singing, cake cutting and Santa gift distribution to cheer up the inhabitants. Post the celebration, we distributed food packets that they would love to eat. A cash donation was made to the NGO along with several gifts, food grains & eatables

3- Motif Charity Walk 2015

Hitachi Systems Micro Clinic was corporate sponsor of the 13th annual Motif Charity Walk held on 1st March 2015 at L.D. Engineering College, Ahmedabad. The 'walk for body & soul' was organized with an objective to create health awareness and raise funds for philanthropic activities through public participation. The event was a huge success with people participating in large numbers and contributing towards the betterment of the society. Hitachi Systems Micro Clinic is proud to be associated with Motif Charity Walk and looks forward to organize and sponsor more such events that do well to humanity at large.
